# GOOSE TRACKS

## President's Message

Cindy Hinds

July is one of my favorite months. I love the sight of flags being flown on neighborhood streets and bunting on the houses. Red, white, and blue are everywhere and my heart bursts with patriotism and love for our Country.

There are many enduring symbols and stories of our nation's history, and one of the most beloved is that of Betsy Ross and the American Flag. While Ross' flag was never adopted as an official flag of our nation, it remains a powerful symbol of American history and the nation's fight for independence.

Could Betsy have ever imagined that of everything she designed and sewed, this piece of handiwork would become her legacy? Would she have made different fabric choices, stitched a bit finer, added her name or other distinguishing provenance into her work, if she had known that 250 years later, her story would still be discussed and debated by historians?

I believe the quilts we make as our Legacy Quilts hold the same significance. We dream they will outlive us, preserving our stories forward to future generations. With every stitch we impart our love, our sense of beauty, and our careful attention to detail—then we label them with facts. Yet, like Betsy Ross, we may never know which pieces of our artistry will be the ones to speak for us in the future. All we can do is stitch with love and pride, savoring every moment of the journey.

Wishing you a joyous July, draped in **Red**, **White**, and **Blue**,  
Cindy

*July 14th*

For our July in-person meeting we will have **Kathy McNeil** live via Zoom.

She is an award-winning quilter, designer, and educator renowned for her mastery of intricate, nature-inspired quilt art. With a passion for capturing the beauty of the natural world, Kathy's quilts often feature stunning representations of flowers, animals, and landscapes, blending realism with the art of quilting. ## Sandra Bruce — August 11th

We are excited to welcome Sandra Bruce in August!

In August we welcome **Sandra Bruce**, a contemporary quilt artist known for her innovative blend of traditional quilting techniques with modern, photorealistic design. Based in Northern California, Sandra brings a unique perspective to textile art through her “Material Matrix” technique—an approach inspired by pixelated imagery that transforms fabric into detailed, expressive portraits and landscapes. With a background in graphic design and lettering, she combines precision and artistry in each piece, creating quilts that are as visually striking as they are technically masterful. Sandra also teaches workshops across the country, inspiring quilters to explore creativity through bold color, texture, and personal expression.

## Latifah Saafir — September 8

In September we are excited to have **Latifah Saafir**. Latifah is a celebrated quilter, designer, and educator known for her bold, modern aesthetic that

pushes the boundaries of traditional quilting. Based in Los Angeles, Latifah's work is marked by its use of geometric patterns, vibrant color palettes, and a contemporary flair that resonates with quilters worldwide. Her innovative approach to quilt design has earned her a reputation as a trailblazer in the quilting community. As the founder of Latifah Saafir Studios, she's dedicated to empowering quilters through her patterns, workshops, and online classes. Latifah's work encourages quilters to embrace creativity and challenge the norms of the craft, all while honoring its rich heritage. She is also an advocate for diversity in quilting, striving to make the quilting world more inclusive and representative.

## David Taylor — October 13

Then in October we are so fortunate to have **David Taylor** join us. He is known for his realistic applique techniques and is a well-known quilter, speaker, and teacher.

### *A note from Mary —*

We sincerely appreciate Perry from Mel's Sewing Center in Anaheim who loaned us a brand-new Bernina 535 for our workshop with Nancy Prince.

One of our members was going to let us use her machine, but at the last minute it broke, and Mel's Sewing Center saved us!

Thank you again for being there for us when we need you for sewing machines and other supplies! **You have our support!**

## July 13 – Bag-Making Workshop

Our next workshop will be a fun “Bag-Making” workshop with our own member Yvonne Webb which will be held on Sunday, July 13, 2025. Have you ever wanted to try your hand at bag-making but felt unsure of your skills? Then this workshop is for you!

The project Yvonne has chosen is called “Stash and Dash,” a “By Annie” pattern for a fold-over organizer bag. In this workshop, you will learn how to use Soft and Stable, attach zippers to mesh, make a zippered pocket, cover strapping with fabric, work with vinyl and tips for making professional-looking binding.

Required for the class is the “Stash and Dash” pattern which is available at Orange Quilt Bee, or online By Annie or Amazon. Orange Quilt Bee now has the supplies needed for this project. Yvonne will supply the vinyl as we only need a small piece.

## August 10 & 11 — Material Matrix

Sandra Bruce

In August, we have a special opportunity to take a two-day workshop with **Sandra Bruce** on August 10<sup>th</sup>, and 11<sup>th</sup>, 2025. Sandra will be teaching her specialty, “Material Matrix,” which she developed after being inspired by painter, Chuck Close.

This method involves using a gridded photograph as the foundation for a unique fabric interpretation into an art quilt. Each 2” square of the photo is reimagined in fabric, through detailed piecing, resulting in a striking mosaic-like image.

Sandra’s project for us is her new “Piper Pelican” design. Everyone in the class will work on the same project. You will be provided with a template and handout so the piecing can be finished at home with confidence.

In this workshop Sandra will also teach what makes for a good photo to use, color and value, curved piecing and how to grid your own photo.

### 2-Day Workshop Details

Date: Sunday, August 10, 2025

Time: 10 am to 4pm

Location: Orange Quilt Bee,  
628 E. Katella Ave., Orange, CA 92867

# UFO Challenge

Kathleen Quinn

## UFO Challenge Updates

We currently have 24 members participating in the UFO challenge! And we are off to a great start!

What is a UFO? UFO stands for **Unfinish Objects**. This means that you have purchased the pattern and the fabrics to get started but never got around to getting it started. It's that partially completed top that you started at a class but haven't finished. It's a finished top that still needs to be quilted. It could even be that quilt that just needs binding and a label, but it's been sitting around a while waiting for you to make them.

It's still not too late to sign up and get those UFOs out of your closets, drawers, boxes, or wherever you are hiding those UFOs and getting these projects done so you can cross off your list of to-dos! **Better late than never, right?**

Send me an email if you want to sign up!

## UFO CHALLENGE 2025-2026

---

**What is a UFO?** You've purchased the pattern and the fabrics to get started but never got around to getting it started. It's that partially completed top that you started at a class but haven't finished. It's a finished top that still needs to be quilted. It could even be that quilt that just needs binding and a label, but it's been sitting around a while waiting for you to make them. Must have been started prior to December 2024 and a minimum of 200 square inches (Example 20in x 10in.) Whatever the case, let's dust off those older projects and complete some UFOs. You could even win a prize for doing so!

We want this to be fun and doable for everyone so here's how it's going to work. You choose from one to five UFOs you'd like to complete by April 2026. You tell me which month on which quilt will be done. A completed UFO is quilted and bound. We would really like to see labels and hanging sleeves as well, but for this challenge it's not necessary. You sign up below and pay a \$10 entry fee (no matter how many quilts you submit). You will get a ribbon to get started and will earn a special pin for each quilt turned in.

There will be a drawing each month a UFO is due among those who turn for that assigned month. There will be a special drawing for a "Grand Prize" for those who completed all five quilts on time! Additionally, tickets will be awarded for random drawings throughout our challenge period. Tickets are earned as follows:

- 1 Ticket for each UFO turned in (up to 5)
- 5 Tickets for turning in your UFO on time or earlier
- 3 Tickets for turning in your UFO late
- 1 Ticket if UFO has label
- 1 Ticket if UFO has a hanging sleeve

- 5 Tickets if UFO is older than 2008
- 4 Tickets if UFO is older than 2012
- 3 Tickets if UFO is older than 2016
- 2 Tickets if UFO is older than 2020
- 1 Tickets if UFO is older than 2024

### Quilt Sizes:

- 1 Ticket – Smaller than a Baby Quilt – 2,475 sq in or under
- 2 Tickets – Baby/Crib/Lap – 45" x 55" = 2,475 sq in and higher
- 3 Tickets – Afghan/Throw – 55" x 65" = 3,575 sq in and higher
- 4 Tickets – Twin – 70" x 90" sq in = 6,300 and higher
- 5 Tickets – Double, Queen, and King – 80" x 90" = 7,200 sq in and higher

If you have any questions regarding the above, please do not hesitate to contact Kathleen (check the member directory for contact information).

## Monthly Creation

Diane Jardon

Congratulations to **Fay Kerneen** who was the winner of the June Monthly Creation. Fay won this beautiful (By Annie) Tote – just in time for a summer road trip! A special thank you to our “anonymous” donor. (I will say, she is phenomenal at zippers!)

Also, a reminder that we're seeking out items for Monthly Creations during 2025 – specifically the month September. If you have something in mind to donate, please contact me. Let me know at the July meeting so that we can make sure we have items for the entire upcoming year.

I look forward to seeing you all in July!

## Zoom

Trudy Cleveland

We had 15 members join the June program via Zoom. Our speaker, Nancy Prince, brought several of her award-winning quilts, and the people on Zoom were able to hear her lecture and view her quilts.

Our July meeting is going to be an in-person meeting, with our speaker being brought to us via Zoom. The guild is using modern technology to provide speakers from all over the country.

## Our Newsletter Gets a *Makeover!*

Joanne English

For years, our guild's newsletter was designed using Microsoft Publisher — a long standing, reliable tool that helped us share our stories, updates, announcements & lots of pictures of beautiful quilts. But as technology moves forward, Microsoft is bidding farewell to Publisher. Microsoft recommended Word as the next best fit and we took that as a sign to give our newsletter a complete makeover to modernize the design and create something that truly reflects the energy of our Guild.

This month, our new newsletter is making its debut, featuring a sleek, updated layout while still delivering the same content you know and love.

Change can be bittersweet, but we're thrilled with the transformation. We hope you enjoy the new design as much as we do!

# Show & Tell

## **Victoria Crayne – Sitting in the Garden**

Nancy demonstrated in the Round-About at ROAD2CA many years ago and I have made ART quilts ever since.

## **Victoria Crayne – Rainy day in Paris**

## **Helen Born – Amazing Patriotism**

My mother made some of these blocks while Debbie Gordan was writing her book. I also created a few blocks and recently rediscovered them. My sister, Trudy, helped me with the design.

# Show & Tell

## Carol Moore – Barn Quilt

I had a fabulous time painting my barn quilt. I attended the workshop hosted by Long Beach Modern Quilt Guild. My plan is to display it at the top of our staircase.

## Dorothy Bullard – A Swan(k) Christmas

I started this quilt in the 1990's, set it aside and forgot about it – until now. After all these years, I finally finished it!

## Barbara Kerns – unnamed

I made this a few years ago for philanthropy and never quilted it. I decided to donate it to the “Buy It Now” quilt sale for the quilt show.

# Show & Tell

**Sonia Nelson – Sweet Pea**

I made this at the Fall 2024 Laundry Basket Quilt Retreat with Edyta Sitar.

**Patricia Longman – Hawaii Memories**

Made this especially for my grandson who loves the water.

# Virtual Sew-Ins Via Zoom

Mary Howland

## Hello Members of FGQG!

Please come join us at our zoom Sew Ins - we want to meet you and have you meet us. You don't have to stay for the entire time, just pop in and say "hello." Our guild meetings are jammed packed and don't offer much time for socializing, so this is a wonderful opportunity to get to know each other.

Flying Geese Quilt Guild continues to have "sew-in" Zoom meetings. Members sign on for whatever length of time their schedules allow. We sew, iron, and chat while we get to know each other.

We ask questions and often another quilter has an answer. We share about new tools and/or gadgets we just had to buy. Of course, we show our fabric purchases, too. It's really a fun-filled time.

Please join us. We'd love to see you!

If you have questions, please call or email Mary Howland. She will host these meetings.

## Happy Summer!

It's not quite summer as I write this, but it will be when you read the newsletter. Anticipation - this word just came to mind. So many in society tell us we need to live in the now. That is true - so true as we can't change the past or relive it. We can be present today, anticipate the future and plan using our experience.

Each month, during the philanthropy team's Zoom meeting, we review our upcoming needs and plan accordingly. Do we need more batting? Should we start focusing on holiday placemat kits? How can we encourage members to make quilts of a specific size? We may need to address all of these—or more! If you're interested in helping with planning or assembling kits, please contact Julie Layne or join us for a Sew Day.

### Quilters Needed . . .

We're looking for quilters to help make **placemats** using our kits. There are both Christmas and non-Christmas-themed kits available. Christmas placemat kits will be available at the July meeting.

Our next Sew Day will be Wednesday, July 16th from 10 am – 2 pm at Orange Quilt Bee. We have another Sew Time and that's on Zoom, on the fourth Monday of the month. Come Zoom with us on July 28th from 6 pm – 9 pm. It's a wonderful time to sew, chat, and get to know other members in the guild. We won't know what you're sewing on or even if you're sewing unless you tell us. Sometimes it helps to be around kind, like minded sewists.

Circulating back to “anticipate” - I'm looking forward to attending a family wedding in July in upstate New York. I'll get to spend time with relatives I haven't seen in many years. Maybe there will be rain and a thunderstorm but hopefully not the day of the wedding. I'm not looking forward to the twelve hours of flying/airport time, but I have thought of what I might do while I sit. Will I read or work on a hand sewing project? Plus, I'll have the return trip, too, and more of those hours will be during the day.

So what are you anticipating this coming month and summer?

Thank you for sewing and quilting for our organizations. Your work makes it possible for philanthropy to give to these organizations and they in turn, to give to those in need. Your hearts and hands are filled with love!

That's all for this month! Take care, enjoy your sewing, and anticipate our quilt show in October.

Mary Howland

The May winner of the \$10 gift card to Orange Quilt Bee was Arlene Somerville, and June's winner was Sonia Nelson. When you return an item or donate to philanthropy, your name gets dropped into our little bucket. At the end of each Sew Day, we draw one fabulous winner.

**Next month, it just might be you!**
